

Parental/Guardian Consent Form for Publication

2021 - 2022

Like you, we are proud of our graduating students and their accomplishments while at Wanaque Elementary School. In an effort to share these memories with parents, families, friends and the students themselves, we are putting together a graduates' yearbook. Graduation portraits, baby pictures, and candid shots of the students will be used in constructing this memory. In order to prepare this book for publication, we need parental permission to use your child's pictures.

Each week students are working on different sections of their yearbook. It is important that you give the school permission as soon as possible. The publishing company needs to have the draft of the yearbook by the end of March to assure that they will be ready for the awards assembly in June.

Please complete the permission form at the bottom of the page and return it ASAP.

Thank you for your quick response to this notice,

Ms. Marion and Ms. Sisco

Yearbook advisors
