Dear Parents/Guardians:

Subscription Busing for the 2022-2023 School Year

The Board of Education offers a fee based subscription busing to students who do not qualify for mandatory busing. Transportation is provided at no cost to Wanaque District Elementary students in Grades K-8 who live more than two miles from the school. Wanaque District Elementary students who live less than 2 miles from the school are eligible for the subscription busing service only on existing routes at current bus stops. Availability for subscription busing is limited and will be on a first come/first-enrolled basis.

The 2022-2023 per child cost to parents/guardians for subscription busing will be \$600 (\$1200 max/family). If you are interested, please complete the form below and return it, together with a payment in the amount of \$600 per student, to the Wanaque Board of Education office by August 1, 2022. Please know that, since there is limited availability of subscription busing, no seats will be reserved without payment in full. If a subscription busing seat is not available for your child your deposit will be returned. If a subscription bus seat is available, you will receive a letter of confirmation and instructions.

In summary, if you wish to request subscription busing for your child, please return this form and a check to the Board Office no later than August 1, 2022. Please know that we cannot guarantee that there will be space available for every family. If you have any questions, please contact Mrs. Molly Rieth 973-835-8200 ext. 1527. Thank you.
