

# Student Chromebook Expectations

Taking a Chromebook home is a privilege. I will show respect and responsibility by keeping the following promises:

I promise to . . .

- Remember the Chromebook is School Property; it is not mine.
- Use the Chromebook for schoolwork only.
- Access only the websites and resources assigned by teachers.
- Not change any settings on the Chromebook.
- Tell an adult immediately if the Chromebook is not working properly.
- Tell an adult immediately if I make a mistake when using the Chromebook.
- Keep the Chromebook away from food and drinks.
- Keep the Chromebook and charger in a safe place when not in use.
- Charge the Chromebook every night and leave the charger at home in a safe place.
