Five snow/emergency days are included in this calendar. In the event that fewer than five days are used, the calendar will be shortened by those unused days. Should the district exceed the allotted five snow days, the remaining days will be made up during Spring Recess with the days working backward, beginning with Friday, April 17, 2020. Therefore, no plans, which cannot be changed, should be made for April vacation.

The Superintendent reserves the right to make adjustments to the calendar if deemed necessary.

Whenever school is in session during a State-recognized holiday, every effort will be made to restrict testing or other presentations. Students required to miss school on these days for religious reasons will be counted as excused under the attendance policy and will be given a reasonable time to make up any missed assignments.
