Pre-School Registration Packet

The Wanaque Public School District is accepting preschoolers for our Integrated Pre-School class for September 2017. Pre-school classes will be provided at both schools. The morning session (9:00 - 11:30 a.m.) will be comprised of primarily three-year old youngsters and the afternoon session (12:30 – 3:00 p.m.) will address four-year olds.

The tuition-based program anticipates having limited openings for the 2017-2018 school year. A “lottery system” may be implemented if the interest is greater than the number of open seats available.

A modest tuition of \$2,500 will be charged, with a \$250 deposit due upon application. To be eligible, a general education student must be age three (3) or four (4) on or before October 1, 2017 and **must** be toilet trained. When applying for the program, please include a copy of the following information:

birth certificate

copy of immunizations

proof of residency (please refer to registration form on the district website)

\$250 deposit

If, by chance, your child is not accepted into the program as a result of the lottery process, your deposit of \$250 will be refunded.

All pre-school registrations will be held at the **Haskell School (973) 835-8200**.

Applications will be accepted through Tuesday, February 28th
